### Goa Human Rights Commission

Proceeding No. 89/2014

#### Inquiry Report

This complaint has been filed by the Complainant against the then Police Sub-Inspector Shri Uday Gaude who was attached to Pernem Police Station, Pernem-Goa at the relevant time when the present complaint was filed. The Complainant is the brother of one Shri Amit Kumar Tiwari, since deceased. The said brother of the Complainant namely, Shri Amit Kumar Tiwari was residing in a rented premises belonging to Shri Prakash Sakharam Govekar at Malpém, Pernem-Goa for the purpose of his business. The deceased Shri Amit Jumar Tiwari was conducting Omlet Pav Centre business in a Gada near Gajanan Wine Store at Malpém and side by side he was also conducting a business of pest control service in the name and style as Sai Gardens & Pest Control which business was registered in the name of Smt. Sushma Anil Naik, resident of Bhomwada Tuem, Pernem-Goa.

2. It is alleged by the Complainant that Smt. Sushma Naik was a business partner of Shri Amit Kumar Tiwari and as such there used to be always

quarrels and fights between Mr. Amit Kumar Tiwari and Smt. Sushma Naik at the room because of share in profit and loss in the business. On 23-01-2014 at 5.20 p.m. the Complainant was informed that his said brother was found dead near Mulvir Garage at Malpem. It is stated that upon inquiry by the Complainant with PSI Shri Uday Gaude, the Complainant was informed that Prakash Sakharam Govekar had informed PSI Shri Uday Gaude that Mr. Amit Kumar Tiwari might have sustained serious injuries and might have died due to dash by unknown vehicle. The Complainant suspects that his brother Shri Amit Kumar Tiwari was murdered and it was not the case of death by motor vehicle accident. The Complainant has alleged that his brother Shri Amit Kumar Tiwari was murdered by said Sushma Naik at the rented premises in collusion with Shri Prakash Sakharam Govekar. It is further alleged that PSI Shri Uday Gaude has not conducted the investigation in a proper manner and the murder case of the brother of the Complainant was shown as an accident case in collusion with the said Sushma Naik and Prakash Sakharam Govekar.

3. Taking cognizance of the complaint, this Commission issued notices to Shri Uday D. Gaude, Police Sub-Inspector, Pernem Police Station, Pernem-Goa, 2) Police Inspector, Pernem Police Station, Pernem-Goa, 3) the Superintendent of Police (North), Porvorim-Goa and 4) the Secretary (Home), Secretariat, Porvorim-Goa. The Respondent No.1 and 2 have filed separate replies. The Respondent No. 3 and 4 have adopted the replies filed by Respondent Nos. 1 and 2. The Respondents have generally denied the allegations made by the Complainant. It is the case of the Respondents that on 23-01-2014 at 17.20 hrs. a phone call was received at Pernem Police Station from unknown person informing that a dead body of male person was seen lying on the side of kachha road, NH-17 Highway near Mulvir Garage, Malpem, Pernem. The case was registered as unnatural death u/s 174 of Cr.P.C. The Respondent No.1 and 2 visited the spot and noticed that one dead body of a male person was lying on the edge of the culvert on the left side of NH-17 Highway proceeding from Patradevi towards Mapusa. It is further stated that a detailed inquiry was conducted with locals and it was revealed that the deceased was residing in the rented room of Shri Prakash Govekar at Malpem, Pernem. It is further stated that the said Shri Prakash Govekar informed the police that Shri Amit Kumar Tiwari was visiting Bar & Restaurants for consuming alcohol during late hours. It is further stated that Shri Prakash Govekar had further informed that some unknown vehicle might have dashed Shri Amit Kumar Tiwari during late

night while he was returning to his rented room and due to the impact of the vehicle Shri Amit Kumar Tiwari might have flung on the edge of the culvert on the left side of NH-17 Highway.

4. The Respondents have further stated that the dead body of Shri Amit Kumar Tiwari was sent for post-mortem examination. Dr. Chetan L. Karekar, Assistant Lecturer, Forensic Medicine and Toxicology, GMC, Bambolim conducted post-mortem over the dead body and certified the cause of death as "Carniocerebral damage associated with fracture of (L) upper arm and (L) femur consequent to blunt force impact by surface and/or object." The Respondent No. 1 filed a complaint on behalf of the State and registered an offence vide Crime No.19/2014 u/s 279, 304 (A) of IPC and u/s 134(a) (b) of Motor Vehicle Act at Pernem Police Station against unknown driver of unknown vehicle on 25-01-2014.

5. We have heard the Parties. We have also perused the records of this case.

6. The conduct of investigation of this case right from the beginning is highly suspicious in nature. The Respondents claim that on 23-01-2014 at 17.20 hrs. Shri Uday Gaude, PSI received a phone call at Pernem Police Station from unknown person informing that a dead body of male person is seen lying on side of kachha road, NH-17 Highway near Mulvir Garage at Malpem, Pernem-Goa. Respondent No.1 has admitted that he did not find out the identity of the caller who had informed him about the dead body. This conduct of the Respondent No.1 is highly improper. Looking into the seriousness of the matter it was the duty of the Respondent No.1 to find out as to who had given such information. This has not been done for reasons best known to the Respondent No. 1/PSI, Shri Uday Gaude.

7. It appears that based on the inquiries conducted with locals and on the basis of post mortem examination report, the Respondent No.1 came to the conclusion that unknown driver of unknown vehicle might have driven his vehicle in a rash and negligent manner and dashed against the deceased Shri Amit Kumar Tiwari thus causing him serious injuries which resulted in his death. This conclusion drawn by Respondent No. 1 Shri Uday Gaude does not appeal to our mind at all looking into the facts and circumstances of this case. The records indicate that the said Shri Amit Kumar Tiwari was last seen in the evening of 21-01-2014 and his dead body was found on 23-01-2014 at 5.20 p.m. in a highly decomposed condition. It is difficult to believe that the dead body could not be seen by anybody from 21-01-2014 till 23-01-2014 at 5.20 p.m. as the dead body was found on the National Highway. The

Complainant suspects the involvement of Smt. Sushma Naik and Shri Prakash Sakharam Govekar for causing murder of his brother in collision with the police. The allegations made by the Complainant cannot be lightly brushed aside. The said Sushma stated that it might be an accident when he (Amit Tiwari) was returning to rented room of Shri Govekar after completion of work and eating food at Ankita Bar & Restaurant, Valpem on 21-01-2014. It is not known as to on what basis Smt. Sushma Naik has stated before the police that it might be an accident when Shri Tiwari was returning home. Similarly, Shri Prakash Sakharam Govekar in his statement before Pernem Police has stated as follows:

*"I say that I suspect that while returning to his rented room by walking from Bar & Restaurant to his rented room might have some unknown vehicle might have dashed to Shri Amit Tiwari and he flung in the trench and due to which he sustained injuries and might have died due to the same."*

It is not known as to on what basis, the above statements are made by Smt. Sushma Naik and Shri Prakash Govekar. These statements made by Smt. Sushma Naik and Shri Prakash Sakharam Govekar appears to be a figment of fertile imagination of Smt. Sushma Naik and Shri Prakash Sakharam Govekar. It appears that on the basis of such information, the police have proceeded to investigate this matter as a motor vehicle accident case either without application of mind or with ulterior motive. It shall not be out of place to mention here that the Complainant strongly suspects the said Smt. Sushma Naik and Shri Prakash Sakharam Govekar for causing the death of his brother Shri Amit Tiwari. The Investigation Officer, therefore ought to have been circumspect while considering such statements in the facts and circumstances of the present case.

8. The Respondents have introduced a theory that the deceased Shri Amit Kumar Tiwari was frequenting Ankita Bar & Restaurant for consuming alcohol and that the last time Shri Amit Kumar Tiwari was seen alive was on the night of 21-01-2014 at the said Bar & Restaurant where he had consumed alcohol and left the place. This theory of the deceased Shri Amit Kumar Tiwari having consumed alcohol is contrary to the records of the case. The statement of Dr. Chetan L. Karekar, Assistant Lecturer cum Police Surgeon in the Department of Forensic Medicine, Goa Medical College Bambolim was recorded by Shri Kiran J. Poduval, Dy. Superintendent of Police attached to this Commission. Dr. Chetan Karekar in his statement has stated as follows:

*"The stomach cavity of the deceased was empty with mucosa being healthy. The gastric emptying time is normally between 3-4 hours. If the person had consumed some solid matter or even alcohol it would last in the stomach for that period of time. Since stomach cavity was empty for 3-5 hours, the deceased person did not consume any solid matter or any alcohol for that 3-5 hours before his time of death."*

Thus it can be seen that the deceased Shri Amit Kumar Tiwari had not consumed alcohol at the time of the death. It appears that this theory of consumption of alcohol by the deceased Shri Amit Tiwari has been artificially introduced by the police, as "make belief theory".

9. It is apparent that the police did not investigate this matter from the angle of homicidal death. The Investigating Officer/Shri Uday Gaude in his statement recorded by Shri Kiran Poduval, Dy. S. P. has admitted that he did not try to investigate the homicidal angle into the death of Shri Amit Kumar Tiwari based on the allegations made by his brother Shri Sumit Kumar Tiwari as no evidence was pointing out to homicidal death and it was clearly a case of accidental death. It is the case of the Complainant that there used to be frequent quarrels between his brother late Shri Amit Kumar Tiwari and the said Smt. Sushma Naik. Admittedly, the death of Shri Amit Kumar Tiwari is an unnatural death and the dead body was found under suspicious circumstances.

10. The Director General of Police, Panaji-Goa by Circular dated 04-11-2009 has issued several directions to the Investigating Officers regarding the steps to be taken in the event of recovery of an unidentified dead body. The relevant portion of the Circular is reproduced below:

"(i) The spot where the dead body of the deceased is found shall be immediately visited by the PI. and by S.D.P. O. within one hour under intimation to SPCR.

(ii) If the body bears injuries, the Autopsy Surgeon will be requested to lit opine on the following:

(a) The nature of the injuries i.e. ante-mortem or post-mortem and whether sufficient to cause death.

(b) Whether the injuries are homicidal, suicidal or accidental.

(iii) Keeping in view the autopsy report and the circumstances of the case, the S.D.P. O., S.P. and I. O. should examine whether there is a case of homicidal, suicidal, accidental or natural death."

11. Admittedly, the above directions of the Director General of Police contained in the above Circular has not been followed by PSI Shri Uday Gaude, who had investigated this case. This shows that the Investigating Officer was not at all serious and has conducted the investigation in a casual manner. The medical evidence brought on record does not totally rule out the possibility of the present case being homicidal in nature. Dr. Chetan Karekar, who has conducted the post-mortem examination over the body of the deceased Shri Amit Kumar Tiwari in his statement recorded by the Dy. S.P. attached to this Commission has stated as follows:

I say that all the 07 injuries as mentioned at Point No.17 of the MOA are all ante-mortem which means they all occurred before death. All the injuries from Injury No.1 to 7 were caused by blunt impact and were ante mortem in nature. The injuries appears to be accidental, however, injury No. 1 could have been caused due to homicidal impact. To the best of my knowledge and belief and considering the injuries as mentioned in the MOA No.108/14, the death of the deceased appears to be accidental in nature. I say that all the 7 injuries mentioned at Point No.17 "surface wounds and injuries" of the MOA No. 108/14 could be accidental, homicidal or suicidal as they were caused by a blunt impact, however, the overall picture suggests its accidental nature. If only No.1 was present, then it would suggest to be homicidal.

12. A careful reading of the statement of Dr. Chetan Karekar would show that the injuries No.2 to 7 are caused necessarily on account of a motor vehicle accident. It is possible that the said injuries No. 2 to 7 could be either accidental or homicidal or suicidal as per the opinion of Dr. Chetan Karekar. Therefore, the possibility that the death of Shri Amit Kumar Tiwari was homicidal in nature cannot be totally ruled out. In these circumstances it is difficult to believe that the death of Shri Amit Kumar Tiwari was necessarily on account of accident.

13. The records indicate that the PSI, Shri Uday Gaude had committed several lapses while investigating the case. As per the Case Diary No.1 dated 25-01-2014, the PSI Shri Gaude has written that "as per instructions of P.I. Pernem, ASI S. Naik directed to carry out further investigation in this case". However, the records indicate that PSI Shri Gaude did not hand over the investigation to ASI Shri A. Naik and continued to investigate the case till 28-09-2015. This is serious misconduct on the part of PSI Shri Uday Gaude. The investigation was carried out for five days from 25-01-2014 till 29-01-2014 and thereafter further investigation was carried out after a considerable delay i.e. on

14-02-2014, 20-03-2014, 17-04-2014, 18-05-2014, 09-06-2014, 05-07-2014, 15-07-2014 and thereafter after a long gap of more than a year without any investigation the Investigating Officer handed over the case papers to Police Inspector, Pernem Police Station on 28-09-2015. This delay in investigating the matter has not been explained at all. The investigation of this case is not all fair and just and the same has resulted in miscarriage of justice.

14. In the facts and circumstances of this case we are of the view that this matter requires to be reinvestigated Crime Branch of Goa Police.

15. We therefore make the following recommendation:

(i) The Secretary (Home), Secretariat, Porvorim-Goa shall within 30 days direct that this case be reinvestigated by Crime Branch.

(ii) The Director General of Police shall initiate disciplinary action against PSI Shri Uday Gaude for alleged lapses in conducting investigation in the case within 30 days.
